DAY 2: DISCOVER LISBON FROM LAND AND RIVER

Discover this magnificent city. Unveil the history and traditions of Lisbon on this visit of monuments to the golden era of Portuguese exploration: Jeronimos Monastery, Belem Tower (from where Vasco da Gama left the continent on his Caravelas), Discoveries Monument, the ancient Alfama quarter, the oldest squares in town such as Praça do Comércio and Rossio Square.

After exploring the most beautiful places, squares, and belle views over Lisbon, your driver will take you to the pier for a 1-hour boat trip provided by speedboat on Tagus River so that you may discover the beauty of Lisbon from the water.

If you are lucky, you will meet dolphins jumping out of the water! From the pier, your driver will take you to the Hotel. Afternoon at leisure.

DAY 3: EXPLORE LISBON'S OCEAN COAST AND ITS MARVELOUS SPOTS

Visit the small medieval town where the Portuguese Royal Family once summered: Sintra. Here you have the opportunity to visit the famous Royal Pena Palace, one of the most beautiful and romantic Castles in Europe! There's also mainland Europe's most westerly point, Cabo da Roca, as well as the quite amazing Boca do Inferno ("Hell's Mouth") on your coastal sightseeing tour.

The tour also takes you to the cosmopolitan town of Cascais, a typical fishing village turned into a beautiful seaside resort, and also Estoril with its Casino and tropical gardens.

DAY 4: VISIT THE MOST BEAUTIFUL MEDIEVAL MONUMENTS AND SANCTUARIES

A one-day visit taking in some of the most important sites in the history of Portugal. Forget the present and get swept back in time in Óbidos village, surrounded by medieval walls and by its whitewashed houses. The next stop will be a traditional Portuguese fishing village known as Nazaré, recently famous for the giant waves registered here. Nazaré is increasingly sought after by surfers, photographers, and tourists from around the world. The tour also features the imposing sanctuary of Fatima, a center of Catholic faith and destination for pilgrims from across the world. The Gothic Monastery of Batalha, UNESCO Heritage, also is included in the tour.
